

# COVID-19

## Safety and Protection

**Hygiene Barriers** – For Counters, Full height doorways, tables, desks and all areas where staff are required to interact with the public.

**Directional Signage & Graphics** – To promote good hygiene habits and to remind people to adhere to recommended Social Distancing guidelines and hygiene practices.

For further protection and prevention from the Coronavirus, we can provide portable hand sanitizer display stands and stations with optional customized signage and graphics.

**GCD – Business from a Distance**, offer the option to either hire or purchase barricade posts, bollards and partitions to keep people at a social distance in compliance to your businesses requirements. Additionally we can also supply branding, graphics or signage to these panels. We also have the capabilities to supply and install portable medical rooms or offices as well as emergency shelters for sterilisation.
